GLENDALÉ 11 TV ANNOUNCES NEW EDITION OF “GLENDALÉ INSIDER”

Glendale, Ariz. — Glendale 11 TV premieres the new edition of “Glendale Insider”, a 30 minute TV show dedicated to highlighting the best of the City’s recent news and events. This new program showcases some of the many ways the City is preparing for Super Bowl XLIX, including a behind the scenes look at Glendale SWAT officers as they undergo high-risk training with Blackhawk helicopters, the new places for visitors and residents to shop and dine around the stadium and the best ways to learn about all the things there are to do and see in Glendale and the West Valley this championship season.

Other stories on the “Glendale Insider” include the groundbreaking for the new West Valley Resort as construction begins on this new economic engine for the region, how the one point five million holiday lights get installed for Glendale Glitters in downtown Murphy Park and we’ll see how City of Glendale volunteers help some of our community’s less fortunate during the Valley of the Sun United Way’s “Project Connect”.

The “Glendale Insider” can be seen on Glendale 11 at various times throughout the day or each individual story can be seen on the city’s YouTube channel at www.youtube.com/MyGlendale11. For more information about Glendale 11 or the new TV show, visit www.glendaleaz.com/glendale11.
